MOJE MENHARDT is Austrian and is living and working in Weitenegg and Vienna, Austria. Before she had been living in Buenos Aires, Rio de Janeiro, Munich, Hamburg, Cologne and in Eindhoven, Holland. After finishing College, she studied Law in Vienna and later Painting at the Koninklijke Akademie voor Kunst en Vormgeving s'Hertogenbosch (Holland), finishing studies at the Akademie der Bildenden Künste, Vienna (Austria), Meisterschule für Malerei Professor Eckert, 1980 with a Diploma.

Wolfgang Hilger: ...For the process of her work, Moje Menhardt needs to be free for associative thinking, for the admission of memories, and for perpetual variation. She adapts the compass of her artistic elements to the subject at hand. She works in series, and her chosen concept is only valid within a particular theme. Her style is variable on purpose, nevertheless, her hand is unmistakeable...
